Easijet® Ink Jet Parts

Ink jet and Fluides

As the largest ink manufacture in Thailand, Kimac developed and manufactured a variety of special inks which can meet customers' special requirements and high-standard packaging.

The specialist inks include pigment ink, eatable water-base ink, anti-counterfeit invisible ink, alcohol-endurable ink, inks with high adhesion on plastic, steaming and boiling-endurable ink, oil permeance ink, high definition ink, etc.

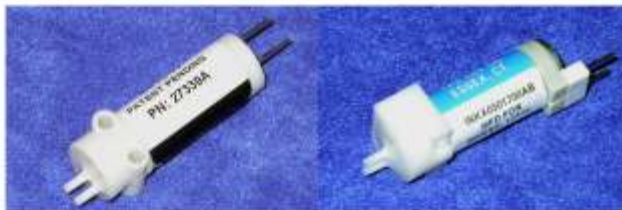

We are one of the leading manufacturer of High Quality, Low Cost Alternative Parts and supplies For Your VideoJet®, Hitachi®, Willet® Domino®, Marsh®, Imaje® Inkjets and more...

We have the widest range of quality, low cost alternative parts available in the industry. Easijet® has an In House Repair Program for electronic boards and power supplies. We also refurbish nozzles and all print heads and umbilicals.

With our strict quality control policy, Easijet® offers a 100% satisfaction guarantee on our alternative parts. All of our parts meet or exceed the Original Equipment Manufacturer's Standards.
